Encyclopedia of Life Sciences: Supplementary Set v. 21-26 (Hardback)

By Inc. John Wiley Sons

John Wiley and Sons Ltd, United States, 2007. Hardback. Book Condition: New. New.. 305 x 300 mm. Language: English . Brand New Book. Spanning the entire spectrum of life science research, the Encyclopedia features more than 4,000 specially commissioned and peer-reviewed articles. These concentrate primarily on the molecular and cellular life sciences, including biochemical topics, methods and techniques. Applied areas of science are also included on a selective basis, as are biographies and general interest articles on ethics and the history of science. Since the acquisition of ELS from NPG in 2004, Wiley has been adding both new and updated articles to keep readers up-to-date with the relentlessly evolving nature of life sciences, carefully commissioning in areas that have been particularly dynamic on the advice of a specialist board of scientific editors. Accordingly, in this six-volume work, we have published an additional 650 new and updated peer-reviewed articles that compliment the original print volume set. By completing the original set with these new articles, the reader is kept up-to-date with research across the life sciences in one complete print product. Aimed at researchers, students and teachers, articles provide comprehensive and authoritative coverage, written by leaders in the field. Colour illustrations...
