Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

From 10 to 20 years of age, the largest ratio (omitting also the Chinese and Indians, of whom there are only 13) is found among negroes, and the smallest among native whites with both parents foreign. From 20 to 30 years of age, the largest ratio is found among the foreign whites, and the smallest among the negroes. (4) 1nd1vidual Ages By Gboups op Cb1mes.--Table 160 shows the individual ages of juvenile offenders, by groups of crimes. Tables 161 and 162 show the same facts by sex. The following is a summary, by deceunial periods: No inmates of juvenile reformatories under 10 years of age have been charged with crimes against the government, and only one with crimes against the person. Of 728 children under 10 years of age, about two-thirds (475) are charged with miscellaneous (a) offenses, very few of which, as has been shown, imply criminality. From 10 to 30 years of age, four-fifths are charged with offenses against society and crimes against property, but the percentage of crimes against property is relatively greater in the first decade, and of offenses against society in the second. This is much more marked for the female than for the male inmates. Under miscellaneous are tabulated...
