Xlibris, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: These days, most Americans know that the country has serious problems. Problems that will have to be addressed before the country can move forward. What are these problems? Where did they come from? Before we can move forward we have to know where we are and how we got there. American Heart of Darkness paints an unvarnished picture of the seeds of destruction that were sown into the foundations of the Republic from the very beginning. How did slavery come about in the land of the free? How did a pre-Columbian native population, in North America alone, of over eighteen million (yes, you heard it right) native peoples dwindle down to about two hundred thousand? Was it really Small Pox? Why has a people who constantly talk about freedom, democracy, equality, human rights, life, liberty, and the pursuit of happiness continually practiced racism, genocide, and war? How do drugs come into the country, and who is really behind the most profitable product sold in the world? There are also other unanswered questions that need to be explored: Why were thousands of the worst Nazi war criminals given refuge in the U.S.' Who financed Hitler? Where did Hitler get his master race and genocidal ideas from? Was Lee Harvey Oswald a C.I.A. agent? Were Oswald, Sirhan Sirhan, Ted Kaczynski, Timothy McVey, and the Peoples Temple all mind control, MKULTRA, subjects? What really happened in the Jeffery MacDonald, so-called Fatal Vision case? How does hundreds of billions of dollars come into the United States every year without detection? The answers to these questions, and many more, will surprise you! They are not in the History books, although they should be. American Heart of Darkness, Volume I,...
