And the tale tells how for fourteen years he could find nowhere any magazine editor to whose present needs a Hergesheimer story was quite suited. It is my belief that in approaching Mr. Hergesheimer s work one should bear constantly in mind those fourteen years, for to me they appear, not uncuriously, to have shaped and colored every book he has thus far published. The actual merit of the writing done during that period of unavailability is - here, at least - irrelevant. It is not the point of the fable that he high-heartedly wrote a story to which, when completed, his unbiased judgment could not quite honestly deny such deference as is due to a literary masterpiece; and which, through some odd error, was rejected by a magazine that every month was publishing vastly inferior stories; and which was later declined by another magazine, and by a host of magazines, with a dispiriting bland unanimity not unsuggestive of editorial conspiracy. Meanwhile - of course - he had written another tale, which was much better than the first, and which proved to be an equally faithful chaperon of return postage. So story followed story, each dreeing the same weird. And he used to wait for the postman, no doubt, and to note from afar that it was a large envelope; and would open the damned thing with a faint hope that perhaps they just wanted some...
