Restoring the Common Wealth (Paperback)

By Rev William J Crumley C S C

Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Restoring the Common WEALTH is a novel. However, it is more fact than fiction. It ties together persons and events that are normally regarded as isolated events.The element which unites them is money and profit. It was originally published 20 years ago as The Disjointed Society. The novel proposes that we cannot really understand WHY events happen until we understand who makes money from the events which happen. It also looks at ongoing history, not simply isolated events. The novel also looks at history through the eyes of a Native American. In the epilogue the Native American looks at some of the contemporary events which give us hope. A more detailed analysis of the novel is available at It was originally published as a novel entitled The Disjointed Society. Later I wrote a factual book called Surrogate Wars. The book contained all the factual parts of the novel that I could document. One of its major emphases was that wars were often fought for economic reasons rather than the political reasons we were told caused the war. Many...
